

Trikka Dog Trainer

**2-in-1 training clicker
and treat dispenser**

One push of the Trikka double button provides a high quality click sound along with an instant training treat.

The body of the Trikka is made from durable polypropylene, while the clicker element has been specially designed for the Trikka case and is of the highest quality in terms of both sound and strength.

The Trikka comes complete with a training instruction leaflet and 30g of Trikka training treats. All natural treats made with fine quality ingredients for a healthy snack.
