# What is FoOlee Easee®?

The FoOlee Easee® handle is especially designed to adapt with a simple single click on the brush head and all the FoOlee Easee® accessories

These 2 combs allow either soft or intense grooming procedures, depending on the hair of your pet and/or the intended effect.

### Click & brush®

Its multifunction handle fits with a full range of professional grooming tools including brushes, combs and massage tools. You can read more about the benefits of using the FoOlee Easee and the individual accessories in this brochure.

- Perfect grooming for thin and thick hair
- Removes 100% dead hair and no alive hair
- Dual functional combs

- Double sided combs
- Black comb for intense grooming
- White comb for soft grooming

One position for short hair and one position for long hair  
Remove loose hair by pulling back the button.

Remove the comb by pressing the button forward.  
One side of the comb is for thin fur. The other side is for thick fur.

\* Combs and brushes are not included in life time warranty.
