BUSTER Memory Foam Dog Beds

BUSTER Memory Foam beds distinguish themselves from standard foam because the shredded memory foam yields to the weight of the dog and assumes the shape of the dog by means of body heat relieving pressure on joints. This will improve quality of life for dogs with hip or elbow dysplasia, arthritis and joint problems associated with large breeds and senior dogs.

The cover is made from alcantara: 90% polyester and 10% cotton. Washable at 30 degrees. C.

The beds are available in four colours and two sizes.

Cat. No	Description	Colour	Size
385101	BUSTER Memory Foam dog bed	Camel	100 x 70 cm
