WOOF&BREW - FEEL GOOD

IDEAL FOR:

A natural support for immune & digestive systems and general well-being making it the perfect 'feel good' tonic & treat

COMPOSITION:

Calendula, Dill, Dandelion, Ginseng & Skullcap

All the herbs used in our blends are left intact, rather than ground, to help provide optimum nutritional benefits.

HOW DOES EACH HERB BENEFIT?

CALENDULA - Rich in Vitamin A and in essential oils that combine to help to maintain a healthy immune system.

DILL - contains many minerals and amino acids that have anti oxidant properties, as well as helping towards aiding digestion.

DANDELION - Rich in vit A,C,D,E,K&B complex and high in anti-oxidants. Also helps flush toxins and impurities from the body.

GINSENG - a natural energy support for the physical body as well as the immune system. Some say it's a super tonic that aids mental clarity and a sense of well-being.

SKULLCAP - a vitamin packed herb with pronounced natural calming properties. Also contains natural properties that can be used to help anxiety levels and restlessness.

WOOF&BREW - FOR SENIOR DOGS

IDEAL FOR:

Helping support ligaments, joints & musculoskeletal systems, this tonic helps to make sure 'there's life in the old dog yet!'

COMPOSITION:

Alfalfa, Devils Claw, Gingko, Hawthorn & Burdock

All the herbs used in our blends are left intact, rather than ground, to provide optimum nutritional benefits.

HOW DOES EACH HERB BENEFIT?

ALFALFA - Rich in calcium, phosphorus, potassium and magnesium in addition to most vitamins (vit A,B1,B12,C,D,E&K). This makes it a good detoxifier and blood purifier – beneficial for older dogs. Also helps to aid digestion.

DEVILS CLAW - contains large amounts of iridoid glycosides – making it ideal to help support muscles and joints, as well as other signs associated with aging dogs.

GINGKO - Antioxidant & packed with flavonoids, which help with circulation and oxygenation of the blood, as well as the blood supply to the brain.

HAWTHORN - most often used for supporting a healthy heart and aiding circulation. Has also been shown to support blood pressure and muscles.

BURDOCK - Natural antioxidant with blood cleansing qualities. Rich in vit B2. Also helps support blood supply to the skin, helping to detoxify and cleanse the skin of impurities

DESIGNED TO AID
CIRCULATION

Bob as a 20yr old JRT had given up on his walks. But remarkably after only 1x week on the senior blend - he's up and doing easily a mile a day. He's alert and seems brighter in his head. He's been incontinent and this has stopped too!

SOPHIE GORNALL

WOOF&BREW - FOR FRESH BREATH

IDEAL FOR:

'Dog breath' is such a renowned phenomenon that we tend to assume our canine friends are naturally prone to halitosis. Not so. This fresh breath tonic is designed to benefit oral health & digestive systems & allow dogs to be free to breathe up close!

COMPOSITION:

Dill, Lemongrass, Ginger, Fenugreek & Sage

All the herbs used in our blends are left intact, rather than ground, to provide optimum nutritional benefits.

HOW DOES EACH HERB BENEFIT?

DILL - Contains many minerals and amino acids that have anti oxidant properties. It has also been shown to support immune and oral systems. Also helps to improve appetite, digestion & reduce gas

LEMONGRASS - a nutritive breath freshener, contains essential oils that have a deodorising effect on the mouth & digestive tract.

GINGER - Beneficial effects in the mouth & digestive system. Widely known by herbalists, it helps with gas production that can occur in the stomach & intestinal tract, aids food absorption & can help towards protecting against dental and oral issues

FENUGREEK - helps maintain weight & condition. Has a long history of use for digestive and dental issues which can also contribute to bad breath.

SAGE - aromatic & purifying herb that is invaluable in helping keep the mouth & throat healthy & free of odour

WOOF&BREW - SKIN&COAT

IDEAL FOR:

Helping detoxify & cleanse, as well as providing a nutritional aid for pigmentation. Also rich in iron, iodine, fatty acids, vitamins, minerals & antioxidants, it supports your dog's skin & coat, keeping it in tip top condition & making it worthy of 'Best In Show'.

COMPOSITION:

Burdock, Dandelion, Flax, Nettle, Seaweed & Rooibos.

All the herbs used in our blends are left intact, rather than ground, to provide optimum nutritional benefits.

HOW DOES EACH HERB BENEFIT?

BURDOCK - Natural antioxidant, contains minerals, calcium, phosphorus, iron, thiamine, silicon & riboflavin - vit B2. It has been long known to herbalists as a blood purifier and supports blood supply to the skin, detoxifying and cleansing the skin of impurities. It's recognised as beneficial to support healthy skin.

DANDELION - helps to cleanse helps to cleanse blood & the liver. Rich in vit A,C,D,E,K&B complex and is high in anti oxidants; which help to flush toxins and impurities from the body, including the skin.

FLAX - packed with fatty acids, tannins, vitamins, minerals and amino acids. The combination of active ingredients in flax helps promote a glossy, shiny coat. Dogs prone to dry, itchy skins will particularly benefit from Flax.

NETTLE - Rich in iron & iodine makes it great for nutritional support & pigmentation and has been shown to help aid and support a healthy skin condition.

SEAWEED - high levels of vits & minerals, providing nutritional aid for coat & pigmentation. It's content of minerals such as Iodine also helps with general skin condition, especially in dogs with a slow metabolism.

ROOIBOS - Packed with antioxidants & Vit C makes it great for skin & is known as a top natural tonic for the immune system too.

"After trying the blend for 7 days muffin and coat scratch himself."
SUSAN & MUFFIN

"My dogs love their WoofBrew! I usually give it to them as part of their evening feed, mixed in, and they just lap it up. Both have good shiny, healthy coats and boundless energy and I think their herbal tea is part of that. I am a nutritional therapist for humans so I do know the value of herbal teas with my clients and I don't think of the dogs any differently. Keep up the good work!"

JAYNE BRYNE, HECTOR & DAISY

WOOF&BREW - ANXIETY

IDEAL FOR:

Provides naturally calming & settling qualities everyday & before stressful times such as fireworks or car journeys.
Supports both the mental & physical well-being.

HOW DOES EACH HERB BENEFIT?

DEVIL'S CLAW - is a herb well known for it's ability to help ease aches & pains, but it can ease stress & tension as well.

SKULLCAP - is a vitamin packed herb with pronounced calming properties. It helps with anxiety & restlessness & is particularly effective with helping to ease the panic & trembling associated with fears & phobias.

ASTRAGALUS - Anxious dogs tend to have a suppressed immune system & stressed, nervous dogs are prone to picking up infections. Astragalus is well known for supporting the immune system.

LIME FLOWERS - A natural calmant to help with stress, tension & anxiety. It also helps support blood pressure and general muscle movement.

ORANGE FLOWERS - also helps with calming, soothing & promotes emotional balance.

LAVENDER - has been used for centuries as a natural calming & settling herb, helping your pooch to cope with modern life, as well as stressful situations & travelling long distances.

ROSE PETALS - are not only calming but promote an uplifting, positive feeling. Beneficial for dogs that feel anxious but also down & depressed. Would be suitable for dogs who become nervous during stays at kennels.

COMPOSITION:

Rose petals, Lavender, Devils Claw, Orange Flowers, Skullcap, Astragalus & Lime Flower.

All the herbs used in our blends are left intact, rather than ground, to provide optimum nutritional benefits.

WOOF&BREW - DIGESTION

IDEAL FOR:

Designed to help towards promoting & maintaining a balanced digestive tract, appetite & bodyweight. Also helps with sensitive stomachs.

COMPOSITION:

Astragalus, Fenugreek, Ginseng, Lime Flower & Rooibos.
All the herbs used in our blends are left intact, rather than ground, to provide optimum nutritional benefits.

HOW DOES EACH HERB BENEFIT?

ASTRAGALUS - is a herb known mainly for its ability to support immune systems but also helps with digestive systems and appetite in dogs.

FENUGREEK - has a long history of use to support a whole range of digestive issues. Also helps promote healthy appetite, food absorption and bodyweight.

GINSENG - has been used in China for more than 500 years as a herb to promote mental clarity and sense of well being, but it also acts as a tonic for the digestive tract, stimulating healthy normal digestion and absorption of nutrients.

LIME FLOWER - Can help with flatulence and other digestive imbalances and encourages efficient and complete digestion of food.

ROOIBOS - is a herb with an array of benefits for the immune system & allergies. Provides calming properties for stomachs and the digestive tract.

WOOF&BREW - TEAS & TONICS

What?! Herbal tea for dogs?! Did I hear you right?! Are you barking?!

And the answer is NO! Absolutely not. In fact we couldn't be more serious. The huge health benefits of herbal teas have long been recognised for humans & it can now also apply to dogs. **WOOF&BREW**'s range of healthy, herbal blends (for dogs) are a complimentary pet food, created & blended to support your dog's specific needs.

The blends are all veterinary approved as safe & the herbs used are left intact, rather than ground, to provide optimum nutritional benefits. Bursting with antioxidants, vitamins & minerals **WOOF&BREW**'s specialised blends are now available in both a doggy tea bag and a ready-made tonic format.

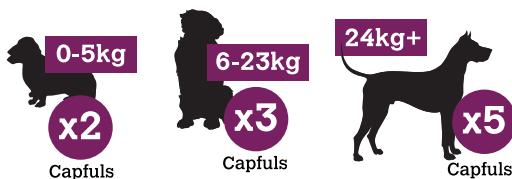

Since launching, the range has set tongues - and tails - wagging across the globe. But don't just take our word for it, check out our customer testimonials.

READY-MADE TONICS

Our ready-made tonics can be served straight into your dog's water bowl or over their food.

Just add the required capfuls shown below.

Each bottle contains approx 60 capfuls

**CAFFEINE FREE &
100% NATURAL HERBS**

DOGGY TEA BAGS

Our high quality, loose leaf blends are bursting with antioxidants, vitamins & minerals & are packed into biodegradable pyramid doggy tea bags, making it nice & easy to brew too!

INSTRUCTIONS FOR USE

1. Add 1 doggy tea bag to 250ml of boiling water.
2. Allow to infuse for 4 minutes.
3. Remove the doggy tea bag with a spoon, then add a further 750ml of cold water.
4. Stir & pour contents into your dog bowl & leave for them to enjoy!

Alternatively add the initial COOLED 250ml infusion to your dog's food.

NEVER SERVE THIS PRODUCT HOT!

WOOF&BREW - HA-PEE LAWNS

IDEAL FOR:

A tried & tested tonic that reduces burn patches on lawns, and benefits your dogs well-being too! It's the doggy tonic & tea that combats the effect of doggy pee!

COMPOSITION:

Alfalfa, Yucca Root, Tomato Flakes, Dandelion, Marshmallow, Nettle, Golden Rod

All the herbs used in our blends are left intact, rather than ground, to provide optimum nutritional benefits.

HOW DOES EACH HERB BENEFIT?

ALFALFA - Alfalfa is rich in calcium, phosphorus, potassium and magnesium in addition to most vitamins and also chlorophyll. This makes it a good detoxifier and blood purifier – and particularly helps keep the urinary tract healthy and free of impurities

YUCCA ROOT - helps to neutralise the alkalinity of a dog's urine and stop those burnt patches.

TOMATO FLAKES - apart from adding a pleasant taste to Ha-Pee Lawn blend, tomato flakes also help neutralise the ammonia that is the prime cause of lawn burn syndrome.

MARSHMALLOW - has cleansing properties that support the urinary tract, helping to ensure a normal and healthy urine flow

DANDELION - rich in minerals and vitamins and is high in anti oxidants; as well as supporting urine flow, all help flush toxins and impurities from the body, including the urinary tract.

NETTLE - is rich in Vitamin C and many other powerful natural anti-oxidants which act in concert with Dandelion to have a gentle detoxing effect on the urinary system.

GOLDEN ROD - another herb with cleansing properties that assist in keeping the urinary tract healthy and free of impurities.

BENEFIT YOUR
DOG AS WELL
AS YOUR LAWN

"I was one of the original "guinea pigs" for Ha-Pee Lawns and I said then that I was very impressed with this product. As time has gone by and I continue to use it I am still very impressed at the improvement in my lawn, despite a wet winter. The dogs both really enjoy their tea in their evening meal and were quite upset when they had to go without for 4 days when I forgot to order it. Many thanks to your company for introducing such a great product."

LIZ STALLION

"Saw an improvement in just two weeks!"

GINETTE EVANS, PRADA & MUFFIN
